(+1) 650995 [REDACTED]

Dear Charles,

We are pleased to send you, below, the proposed itinerary for your stay in Paris from July 25th to July 28th, 2024. This itinerary has been personalized based on the questionnaire you recently filled out.

You can let us know if you would like our company to make reservations at restaurants, museums, with guides, and/or nightclubs on your behalf. If so, we will provide you with a quote for each service.

Please note the following points:

- 1) Some restaurants may not be available for reservations before July 10th (they do not accept reservations before this date).
- 2) Some other restaurants only open reservations 2 months before the desired date.
- 3) Some restaurants require the entry of your credit card details to secure the reservation. They apply penalties for late cancellations.
- 4) Some restaurants may not accept groups of 12 people during the Olympics. At that time, it may be necessary to negotiate 2 tables of 6 people, for example.
- 5) At this stage, we have not checked with the proposed restaurants for table availability. We will do so if you commission us for the reservation services.
- 6) [REDACTED]

7)

A personal assistant can pick you up from your home, help you navigate the metro/bus system, purchase transport/museum tickets in advance, assist or advise you on last-minute modifications/requests, and translate, among other tasks. They will be on standby during your visits/meals.

If you are interested, please let us know, and we will provide you with a separate quote.

Feel free to contact us if you need further information.

We hope to hear from you soon.

Best regards,

Jeremy
